ARENA MANAGERS REPORT: David Westner

Registration for the extended season of Midget's is currently under way. The Friendship Tournament registration forms are out.

At the recent Adray scheduling meeting, Gladwin hockey association has dropped out of the Adray league.

## NEW BUSINESS:

C. King gave a tech. committee update and made all aware of some of the new things that will be seen around the arena. Cameras are running and a camera on stands with recording was brought up. How that would all work, tape, etc will be detailed at a later meeting. Wi-Fi is in and currently working.

E. Nowostoka announced a Saginaw Spirit ticket fundraiser with lots of great prizes for those with the most ticket sales. Also a Penny Drive/War fund raiser is under way.

The big screen TV has space for rent and also it is running with locker room assignments for 7 minutes and 1 minute of advertisement.

Ken Bayne approached the board and asked for a new TV for in the meeting room. This will be looked into. He suggested that a locker room be changed over to be a coach's locker room/storage area. This would a lot space for coaches to keep skates, water bottles, etc here at the arena rather being transported back and forth.

K. Bayne also brought up about travel teams participating more in the fund raisers. This will be looked into more as the Executive Board is reviewing this policy.

## OLD BUSINESS:

The golf outing that was held netted \$ 10,000.00 for the association. Thanks to all who participated, donated, volunteered their time to work that day at the outing. A special Thank You to all of our corporate sponsors and our golfers.

Kristina Brown announced that after 10 years of working on the golf outing, she will be stepping down. She would be willing to help whom ever the board finds or who ever steps forward to run this event.
